AFN 'Fun Play Mini'

Basketball 'Fun Play Mini'

Indoor; Outdoor, at the court yard or at the pool side. You can bring the **AFN 'Fun Play Mini'** adjustable basketball system anywhere.

Whether you are just looking to pass some time or are serious about getting a better shot. This set is a must-have. The **AFN 'Fun Play Mini'** Hoop system easily adjustable from 2.50 to 3.05 m. The mechanism for the height adjustment is placed outside the post. **AFN 'Fun Play Mini'** is easy to move with our transport roller. It is made from aluminium special profiles and it is powder coated (Alternative in aluminium surface). The backboard is available in different dimension and materials.

The quality backboard is made from clear acrylic or alternatively made white powder coated aluminium double hollow aluminium profiles. The ring is made from powder coated galvanised steel with an all-weather net. The aluminium water tank gives our **AFN 'Fun Play Mini'** great stability. This 'Fun Play Mini' system is reliable and long lasting.
